## District Directors

It's almost SPRING FLING time in **TENNESSEE**, and we hope everyone is getting their registrations in to Bob Mack and don't forget to make your reservations at the Holiday Inn in Johnson City, TN.

The District is adding some fantastic changes to Spring Fling. This year we are having a Scavenger Hunt which should be a lot of fun!! On Thursday night we are having "Open Mic", which includes comedy, playing a musical instrument or whatever you might like to perform.

Friday night will be Karaoke night which will be full of talent and surprises!!

We will also be having three guided rides, one ride per day. We will also be bringing back "WINGO" in the afternoon each day. We will also be having some classes which consist of riding, safety, and also how to maneuver through the National Website.

Hope everyone is looking forward to **SPRING FLING 2026!!**

Hello from Middle Tennessee

Can you believe that Spring Fling is right around the corner. Please get registered it's going to be a great time. Also be sure to check your membership due dates and get them up to date. Also let's all work on getting new members, I put when and where chapter A meets on Facebook and we did get a few replies.

As most of you know my Mom has been under Hospice Care going on two years. The past few weeks have been really hard and she is declining very fast just continue praying. Thanks.

Our three district rides for this year are scheduled for May 2, June 13 and August 15. On May 2<sup>nd</sup> we will meet at Countryside Restaurant in Vonore at 12:00 EST. We would like to give the restaurant a head count by May 1, please let Patti Hamilton know how many will be coming from your chapter. On June 13 we will meet at Fall Creek Falls State Park at 11:00 CST. We would like to give the restaurant a head count by June 12, please let Patti Hamilton know how many will be coming from your chapter. And on August 15 we meet at Ace's Chicago-style Pizza in Paris at 1:00 CST. We would like to give the restaurant a head count by August 14, please let Troy Hurt know how many will be coming from your chapter. Make sure to add these rides to you chapter ride calendar.

We are planning a great Spring Fling and looking forward to seeing all of our chapters there.

Hello Everyone !

I don't have much to talk about except for a quote from my Dad..... If you don't like Tennessee weather, just stick around for a while, it will change. At least every day of bad weather makes it one day closer to good riding weather. We hope everyone has a good start to 2026.

It seems that a lot of people are getting ready to celebrate our country's 250<sup>th</sup> birthday.

When you are participating in parades, events, etc, remember to stay safe and have fun. We also need to remember the ones who gave some as well as the ones who gave all for us to be able to celebrate our GREAT COUNTRY and to be proud to be Americans.

Don't forget about Spring Fling coming up soon in Johnson City. We will see you there.

If you are interested in having an American Heart CPR class while you are at Spring Fling,

please let us know in advance as we have to have your information before the class is - started. You can contact us at either phone 931-626-9906 or email

[huffmanpam26@gmail.com](mailto:huffmanpam26@gmail.com) .

## **Spring Fling Activities**

Just a reminder that the time is about to change, you have to move your clocks up an hour on March 7<sup>th</sup>. That means you will have one less hour to get ready for Spring Fling. Make sure you have sent your registration in, made your motel reservations and have your bike ready.

Not only is the time changing, but so are some activities at Spring Fling. The Talent Show has been cancelled due to lack of interest. Don't worry; we have come up with a new activity. The new activity will be on Thursday night. Thursday night will be some picking and grinning on the stage. Anyone that wants to bring their instrument is welcome to get on the stage and do some music for the rest of us to enjoy. It will also be an open mic night, so if you have ever wanted to do some standup comedy, here is your chance, just remember it is a family atmosphere so keep it mild at the least. I know we have a lot of talent, both musically and performance wise. If you are shy, or feel you might do it if someone got up there with you, bring a friend, do a Dean Martin and Jerry Lewis routine, or maybe Abbott and Costello. No prizes, just lots of fun with sing a longs and comedy.

Friday night will be our Karaoke night. Remember there are three ways you can do Karaoke. The first way is just singing to the music, no costume, just you and the music. The second way is just singing to the music, but in costume. The third way, which is new this year, is lip synching in costume. Now when you do the lip synching you have to be in costume, but if you want to sing with your voice with the original artist you can do that also. We will have 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place certificates for each of these categories. You will sign up for Karaoke at Spring Fling on Thursday and Friday. Just let us know what song you want to do.

It was not easy to cancel the Talent Show, but we have to have participation in activities to keep them going. If you would like to see it come back, let the staff know and maybe we can bring it back next year. We just have to make plans so far in advance; it requires us to make a decision.

Get your reservations in, your bike ready, your voice ready, your costume ready and your motel reservations in. We can't wait to see you at Johnson City this year. We plan to have a lot of fun and hope you plan to join us.

## TN Safety Coordinator

Hope everyone is making plans to be in Johnson City, TN for the Tennessee District Spring Fling, April 23-25. There will be rides, fellowship and fun for everyone to enjoy.

There will be two Safety Presentations consisting of:

- *Riding in the Rain*
- *Riding at Night*

It appears March will be coming in like a **LAMB** this year with the forecast appearing to be approximately in mid-60's as a high and low in the mid-40's. However; everyone should still be prepared to have the correct riding gear when out riding.

Remember, be patient, careful and safe with any weather conditions that *Mother Nature* might want to send our way.
